Information for Parents Night Out

Staff expectations

Staff will consist of High School volunteers paired with an adult who has completed a background check. Our job is to make PNO a fun night for children by teaching Christian values, creating a safe environment to interact with their peers and by reinforcing positive behavior.

Youth expectations

We hope the children will make smart choices, treat others with respect, learn, play and just have fun. Children will not be able to bring their cell phones, so please keep them at home. If there is a need to call someone, there will be a phone available at all times.

Parent expectations

Parents will need to have their child/ren signed up no later than the Wednesday before the event so that PNO can be fully prepared and staffed for Saturday. They will check the website for any updates they may need to be aware of and know that they are able to call the church at any time during the PNO to talk to a staff member **(563) 941-7726**. Parents must bring a **photo ID** and come to the check in and check out table when they drop off and pick up their child/ren so that staff knows that the children are going home safely. If their child/ren do not like the meal planned for the night, parents will make sure their child/ren bring their food to eat so that no child has an empty belly. Parents will make staff aware of all special needs for their child/ren and parents will supply diapers and any other necessary supplies for the evening.
